

# Brother Friend Chords by Misc Praise Songs

[Verse 1]

**B**                          **E**  
You're my brother, you're my friend  
          **B**                          **E**  
You're my beginning and my end  
          **B**                          **E**  
You're all around me when the world  
**C#m**                          **F#**  
Turns and walks away

[Verse 2]

**B**                          **E**  
You're my sunshine on a cloudy day  
          **B**                          **E**  
You're the rain that washed my blues away  
          **B**                          **E**  
And I can always count on you  
          **C#m**          **F#**  
'Cause you're my brother   You're my  
**B**
