

Over 2,500 years ago, a young Jewish girl named Hadassah became Queen Esther of Persia—and God used her courage to save the entire Jewish nation from destruction.

These coloring pages invite your children into the incredible story of Queen Esther. As you journey through these pages together, watch your kids discover that the same God who protected His people then is protecting them now!

ACTIVITIES THAT ARE INCLUDED:

- 6 Coloring Pages - Story scenes of Queen Esther

ACTIVITY BOOK INSTRUCTIONS:

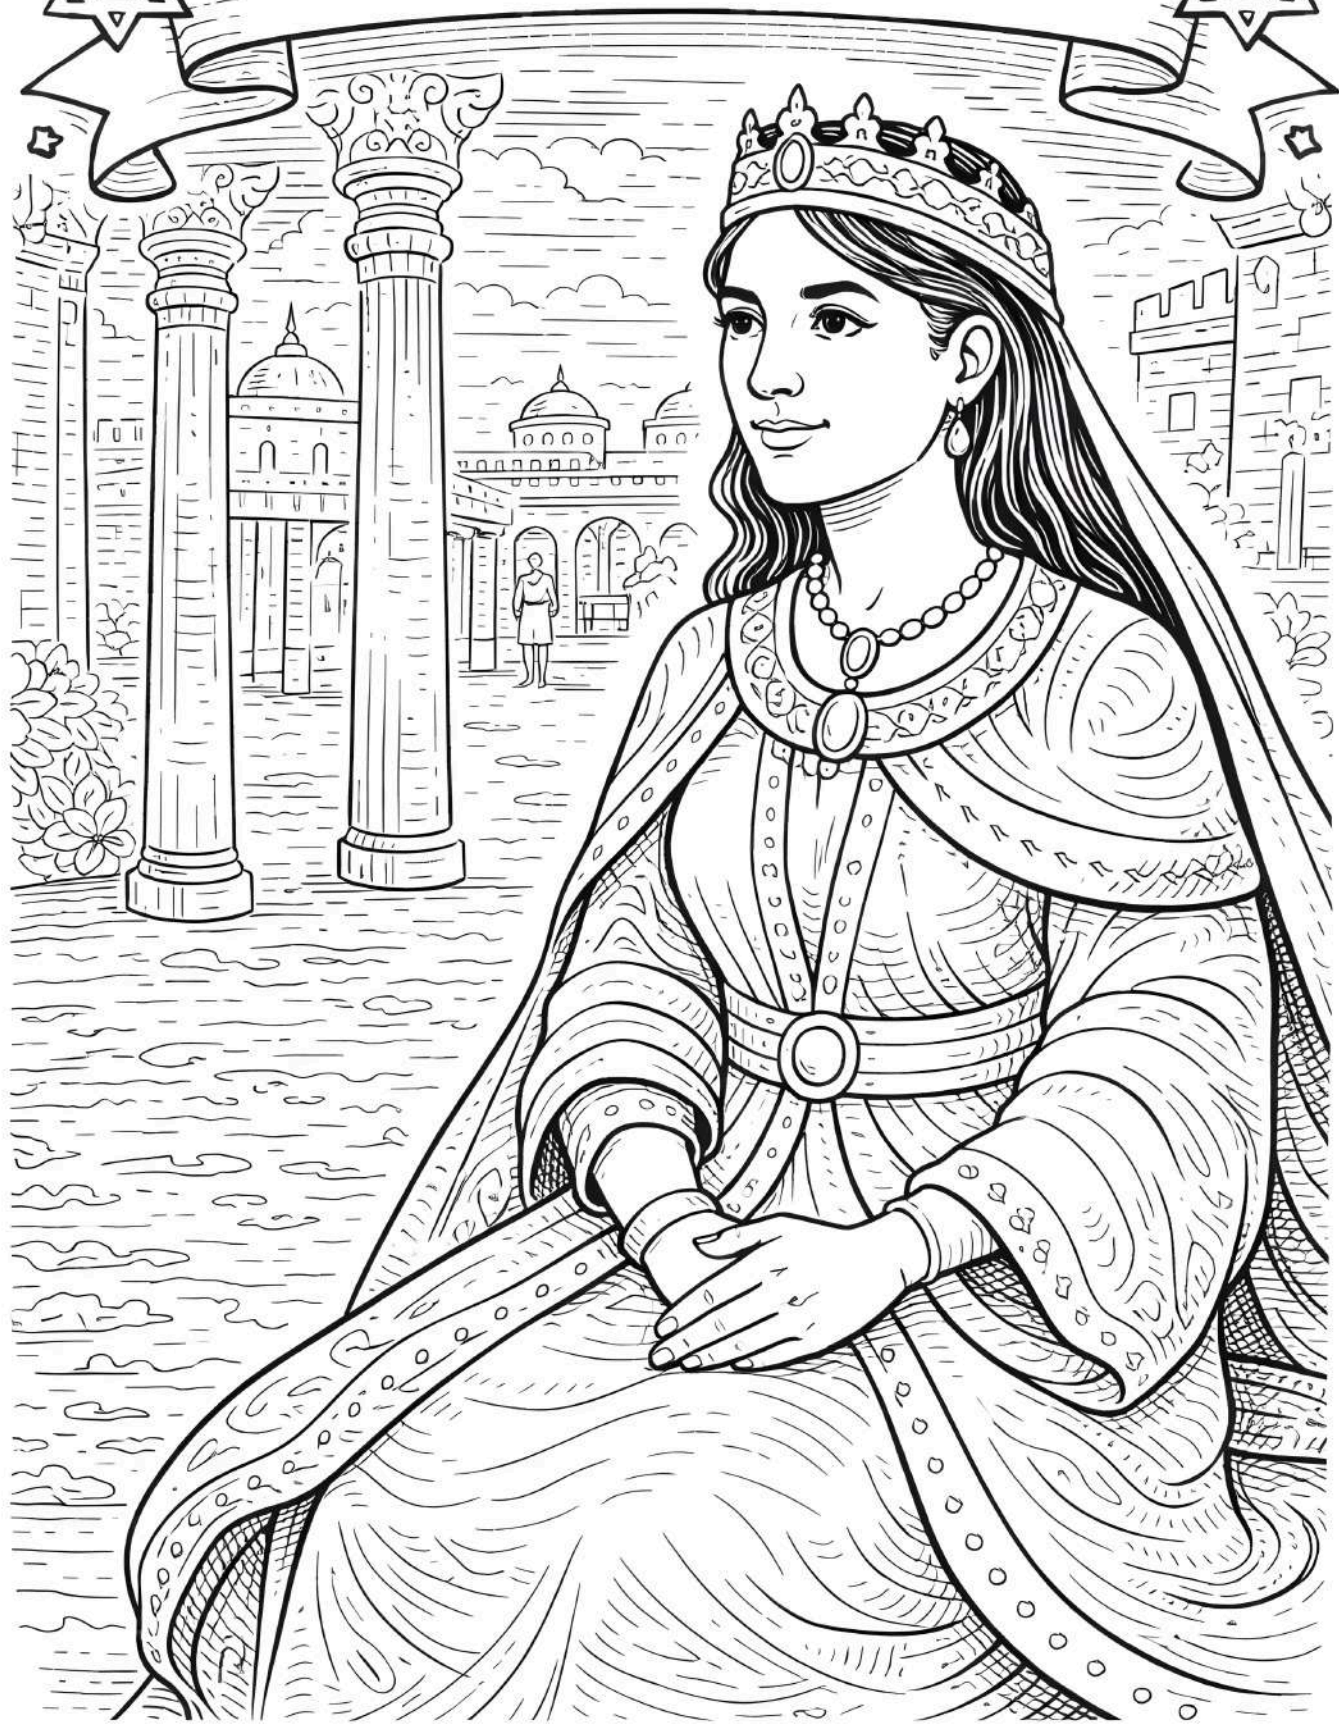

To use this activity book, you can print the entire pdf or select individual pages that fit your needs. We suggest printing in black & white to save ink. Print as many copies as you need for your family, homeschool co-op, or congregation!

If you're looking for other resources to help your family or congregation bring the Bible to life through a Jewish lens, we invite you to explore our other printables at www.revayah.co.

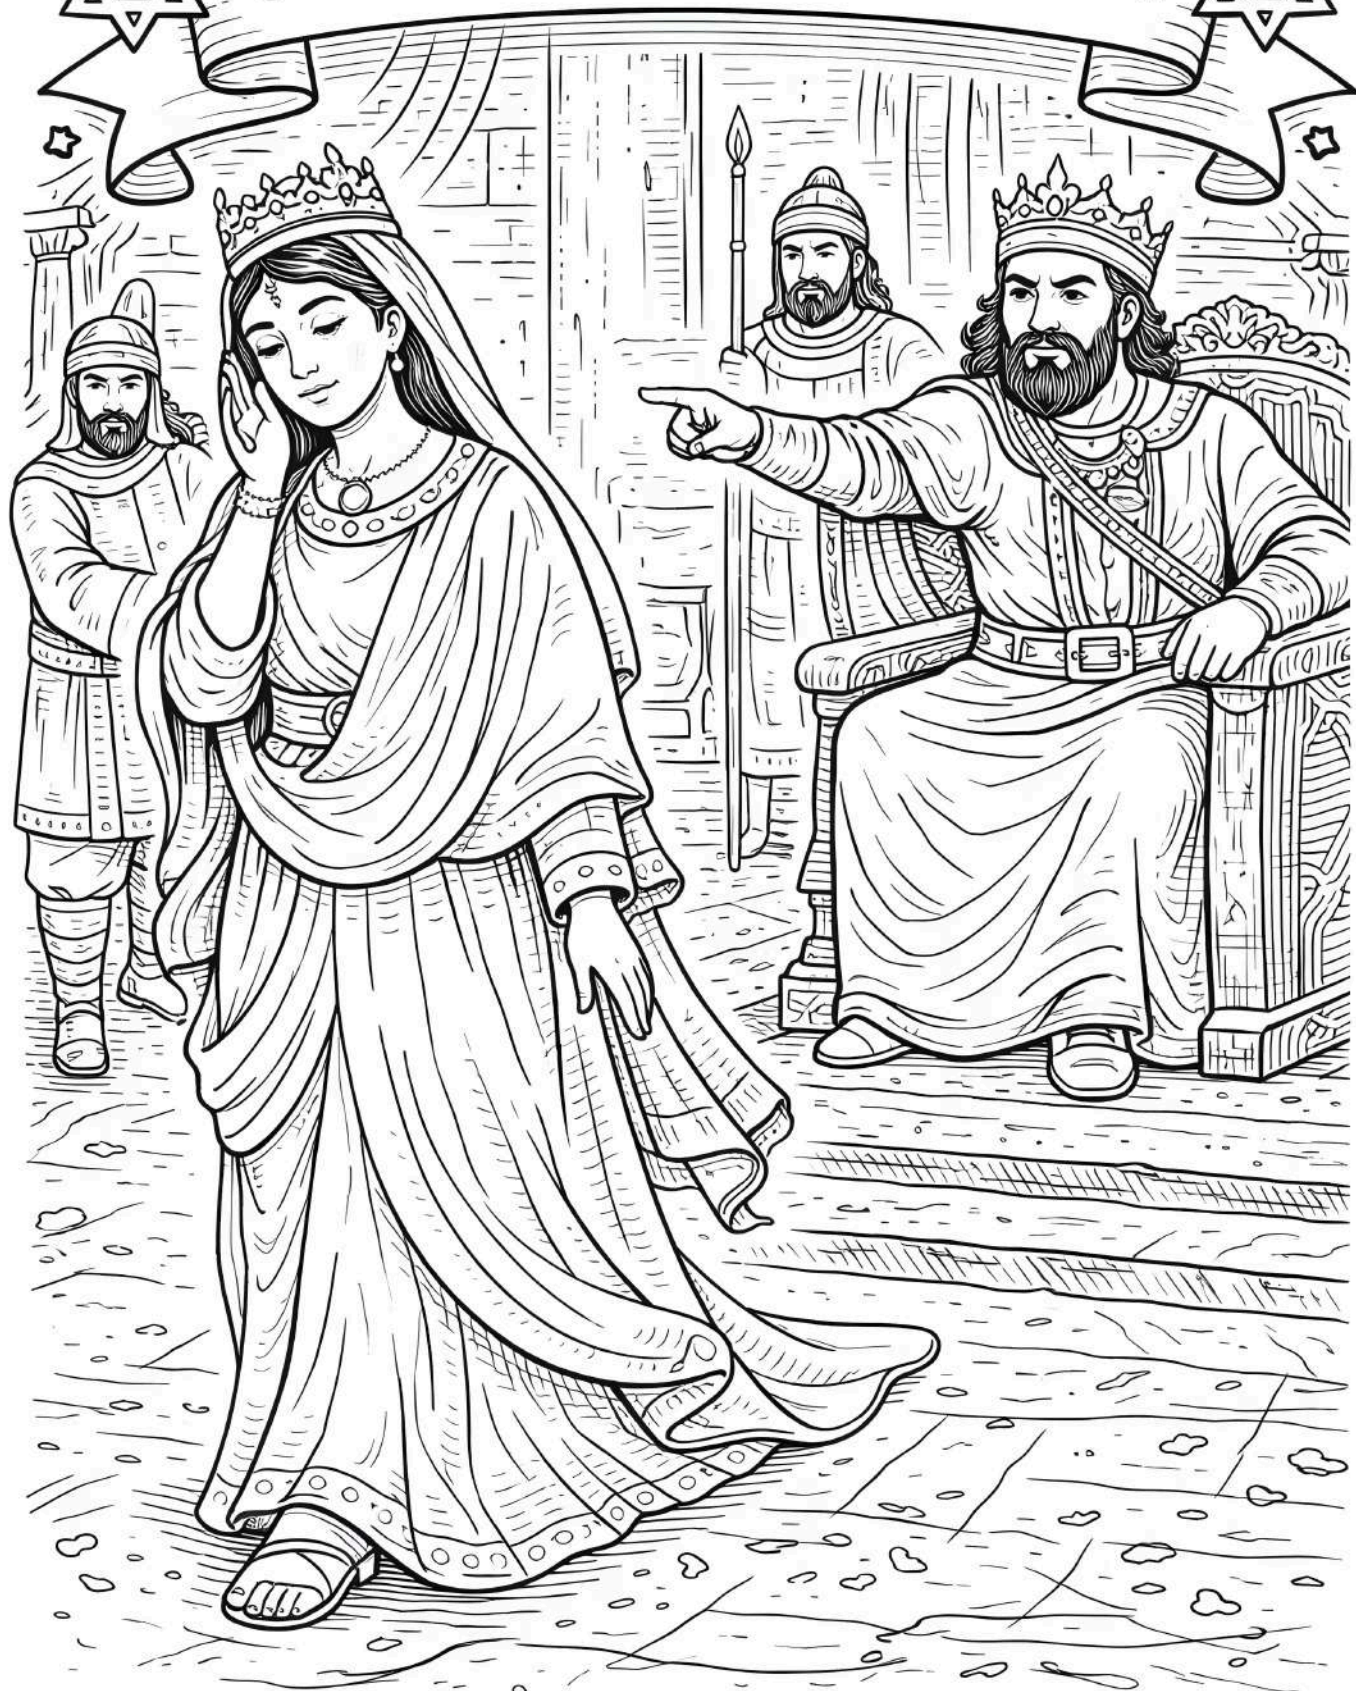

Shalom & Many Blessings!
