

Over 3,000 years ago, God delivered the Israelites from 400 years of slavery in Egypt. On the eve of their freedom, each family sacrificed a lamb and marked their doorposts with its blood—a sign that caused God to pass over their homes and spare their firstborn.

This instant printable invites your family to step into that incredible story through coloring pages and hands-on learning. As you journey through these pages together, you'll remove the leaven, share a seder meal, and discover that the same God who delivered His people then is still delivering His people today!
